Learning for the Future. Akoranga wa hou.

**Every child succeeding in an encouraging and stimulating learning environment.**

Tena Koutou

The end of term is fast approaching and with it the half way point for the academic year. Reports will go home with children on Thursday next week. The reports will indicate your child's progress against national standards but more importantly will carry comments about their achievements and next steps.

In week two of term three (August the 1st and 2nd) we will hold parent interviews with the objective of looking forward to the remainder of the year. Please come to those interviews armed with your child's report with a view to discussing the contents and what we as teachers and parents can best do to build on the successes already achieved.

Last week Tina took her class on a visit to Brooke Macintyre's home to look at animals in their natural environment. This was a delightful trip that added to the classes inquiry work around classifying animals. These sort of authentic learning opportunities are fantastic for the children to experience.

Thank you to Richard and Amy for opening up their property to enable this to happen and Tina for making the effort to enrich the classroom programme in this way.

Next week brings Two more outings for the children with Kea attending the annual soccer field day on Tuesday and on the same day Tui and Piwakwaka attending The Great Piratical Rumbustification at the Pump House Theatre in Takapuna. Thank you to our teachers and supporting Parents who make these events possible.

On Saturday night our PTA is holding a social event at the sports club. This is a great opportunity for parents and supporters of the school to get together and get to know each other better. It is fabulous that our PTA supports the development of the community feel at our school. Please get along and support the evening, I am told that Rugby fans will not be disappointed.
