EVERY CHILD SUCCEEDING IN AN ENCOURAGING AND STIMULATING ENVIRONMENT

Tena Koutou

Our children in Kea and Takahe head off to camp tomorrow. It looks like an amazing location. They will enjoy kayaking, caving, raft building, orienteering, archery, cooking over an open fire as well as searching for glow worms and completing a burma trail, to name just a few of the activities that are planned. Have a great time on camp, we look forward to hearing all about it on your return. Thanks to the helping parents going on camp to support the children and the teachers. I will be travelling down to camp on Thursday. If you would like to join me, I have space for 3 in my car. If you realise that you son/daughter has left something behind, I can take it down. Get in touch.

At school, the juniors are having an outdoor education day here at school, so they don't miss out. The teachers are pulling together some great activities for the children.

School Stationery

All families should have received their school stationery accounts by the end of the week. Please pay these as soon as possible. Thanks to everyone who has paid already. You can pay online or with cash. The school's bank account details are: 12-3011-0165322-00

Our school donation has increased this year. It is now \$75 per child or \$150 per family. This is a donation used to support the learners at our school and is very much appreciated.

Have a great week

Debbie Hamer

Principal

We are now entering the consultation phase of our enrolment zone. The map and written description of the proposed zone are on our website. We will be holding a public consultation here at school, at 7pm on Tuesday 18th March. If you are unable to make

that meeting but would like to make a submission, please send that to:

donnaw@kaiparaflats.school.nz

Resealing School Road

The resealing of School Road is to go ahead this week. The process is Day 1 – Carry out the Reseal work (usually 2-3 hours). Day 2 – Monitor site. Day 3 – Sweep and vacuum excess chip. Day 3 (night) – Line mark. Day 1 could be Wednesday or Thursday. I am waiting for confirmation.

I have made all parties aware of the busiest times at school. I suggest, if you do drop off and pick up your children that for Day 1 at least, you park at the Sports Club and walk to and from school. I have questioned the timing with all parties. This is the slot we have been allocated. There does not appear to be an option to change. The only consolation is that we have 2 classes at camp from Wednesday. Poor timing Auckland Transport!

I have ordered a new leader board, which should arrive today. Earning Pukeko Points for living our school values through the 3Rs -

BoT

We held our first Board of Trustees meeting on Thursday 14th February. The minutes from that meeting are posted on our BoT page on the website. At this meeting Todd Wilkin was elected as our new Chairperson. It was also decided that rather than having specific roles, the Board would rather have a collective responsibility for all areas of governance.

I would like to thank Donna Wech for her time as Board Chairperson. Donna has been an amazing support for me as a new Principal, new to our community. Her advice and guidance has been outstanding. Thanks Donna.

PTA

Our PTA are the fundraising arm to our school. They work really hard, fundraising to make our school a better place. If you can pop along to meetings and get involved, it is a great way to get to know other parents and be involved with our school community. The first meeting of the year is has been rescheduled so will NOT take place on 22nd February. A new date will be advised.
