EVERY CHILD SUCCEEDING IN AN ENCOURAGING AND STIMULATING ENVIRONMENT

Tena Koutou

We have made a fantastic start to the year, using our outdoor spaces to give the children the very best learning opportunities. In the next couple of weeks, the children are going to start to paint some outdoor art to be displayed around school. We will be using some of the money kindly donated by Mahurangi Community Trading Post to pay for the paint. If you have an inner artist and would like to help with this project, please contact your child's teacher to make a time with them as all classes will be painting on different days. Our resident artist, Liz Hood is creating an amazing mural on one of our water tanks (near the new gardens) to further enhance our school.

Garden to Table is back up and running. We have started planting our new garden, which looks amazing. Now our school house has been refurbished as a learning hub, we will be able to start cooking the produce. If you are a keen gardener or cook and would like to help with Garden to Table, even if it is weeding at the weekend, please get in touch. It is important to our school, that our community are part of our learning. Our Community Sharing Stall has been well used over the summer. If you have any excess produce, please drop it off at the stall and take a look whilst you're there. There may be something you would like to use. Please remember it's for food only.

School Stationery

You will all have received your school stationery accounts now. These are now due. Thanks to everyone who has paid already. You can pay online or with cash. The school's bank account details are: 12-3011-0165322-00

Our school donation has increased this year. It is now \$75 per child or \$150 per family. This is

a donation used to support the learners at our school and is very much appreciated.

Have a great week.

Concerns

If you have any concerns about something related to school, please follow our concerns and complaints policy. In summary, please approach your child's class teacher in the first instance or put your concern in writing to myself or the Board Chair, Todd Wilkin. Please do not voice your concerns to members of staff or members of our Board in social situations. This puts staff and the Board in a very difficult situation, compromising their roles. Thank you for your consideration in this matter.

Soccer Taster at School

A couple of weeks ago, we had a free soccer taster at school courtesy of MS Sport. This was followed by flyers going home relating to an opportunity for extra soccer skills training, to be held at school every Monday. There was a cost involved. We had very few children wanting to take part, however, true to their word, the coaches arrived at school on Monday. They ran another taster session. They need 12 children to sign up for the training sessions for it to be viable. We are under no pressure for this to go ahead. This is an opportunity for those who want it.

Community Notices

The children are bringing a flyer home today. \$10 per individual entry.

Calling all Football Players – 8-10 year olds

We are looking to put together a 10th Grade Football (soccer) team from Kaipara Flats again this year. All going to plan we will operate under Warkworth Football. The incredible Dave Payne has offered to coach again – possibly Thursday nights under lights at Kaipara Flats with Saturday morning games alternating between Warkworth and away (North Shore – West Auckland). Season subs are approx. \$140 per player TBC.

Could you please contact me to register your child's interest ASAP as we need numbers to be able to make this happen. We had a great little mixed team last year and would like to build on that this season.
