SUCCESSING TOGETHER - TE ANGITU TAHI

Motto: 'Learning for the future' *Akoranga wa hou*

Tena Koutou

Our school stars on the television this afternoon, with leading ladies Alex and Isabella Julian. The girls were filmed on Show Day last year and feature on Fanimals, which goes to air today at 4pm, TVNZ 2. The producer said - *'We hope you enjoy as much as we have; Alex, Isabella, their lambs and the Pet Day at your school was an absolute delight!'* There are other stars from our school in the clip. Who can you find?

The senior classes had an outstanding day learning to surf at Te Arai beach on Friday last week. JD and Stevie Douglas both joined in and found out that surfing is harder than it looks. Thanks to Heath Rigby who went with the classes as part of a leadership initiative. He was invaluable of the day. Lotti Collis represented our school in the Rodney Team at the Hibiscus Coast Swim competition. Against fierce competition, Lotti placed 3rd in the 25m backstroke, 2nd in the relays, putting Rodney into 4th place overall. Good job Lottie!

A reminder that we have a show coming to school on Thursday. Deano and the Yipadee Show will be performing to us using his story books, which have earned top place in the UK. Please make sure you pay for the show before Thursday.

Please remember **GUMBOOT FRIDAY** this week. We would like all of the children to come to school in gumboots with a gold coin donation for this very worthwhile charity. See below for details.

Have a great week.

Debbie Hamer

Principal

LATE TO SCHOOL

There have been a lot of children coming to school after the morning bell at 9am. I understand that dark mornings makes getting out of cosy beds a challenge. However, when children arrive late, no matter how quietly they enter a room, some disruption occurs. That and missing the first part of the day, can upset some children who then have trouble settling. The teachers would really appreciate children arriving in good time to start their day. Thanks for your consideration.

Plant Pots

To support our Garden to Table initiative, the children have been painting terracotta plant pots to sell at the Night Market at the Sports Club on 4th April. The children are proud of their artwork and are excited about their pots being on sale. Please pop into the market, take time to look at the other stalls and our plant pots.

Thanks to Sam Ryburn and Mitre 10 for supplying the pots at such a good rate. We can't do this without you guys!

Pickets

Our children have been busy painting pickets to represent the children at our school. Thanks to the parents that have been in to help. Huge thanks to Odette Wech and Dave Sattler for preparing the pickets for us, to George Moore

for supplying the pickets and Peter Hudson at Guthrie Bowron for supplying the paint at such a good price. Our school is going to look amazing!

Garden To Table News

I have made copies of recipes supplied by Garden to Table, using seasonal produce. They are pinned up on the student notice board. If you would like a copy, please feel free or just take a photograph. They are great recipes!

Gum Boot Friday - 5th April

Support this great cause. On Friday 5th of April, children should come to school in their gumboots with a gold coin donation. See <https://www.iamhope.org.nz/> for more details.

Property Updates

I have a meeting with the Ministry of Education to start our new classroom project. This meeting is about setting up the actual groundworks and scope for the job which means we are finally moving forward with this after 15 months of conversations.

Resource room conversion is nearly complete, the builders are ahead of schedule. The interior is all but finished. The outside has been painted. We're in the process of ordering the furniture, which is very exciting.

School house conversion is also nearing completion. Andrew Brown, dad of Jayden in Piwakawaka has been busy laying donated floor tiles. Thanks Andrew. We are so lucky to have such a supportive community!
