## OUR VISION - SUCCEEDING TOGETHER - TE ANGITU TAHI

Tena Koutou

### Featured Class

Every week we will be featuring one class in our newsletter. They will be sharing their learning with you. This week is the turn of Kereru. They have been focussing on our concept of Kotahitanga, working together to create a sense of unity. They have done this by using unplugged digital technology activities learning how to code.

### Learning Opportunities

We start our Discovery Learning Groups tomorrow. The children have been placed in groups according to a first, second or third choice. I am looking forward to see the new learning that comes out of this experience.

### School Cross Country

We will celebrate our school cross-country winners at the House Assemblies on Friday this week. We are all frustrated that the inter-school event did not go ahead due to circumstance beyond the organising school, Matakana. However, our children should be proud of their running in our own event, they all made me proud.

### Learning Conversations

Learning Conversations will take place next week on Wednesday and Thursday. These conversations give the children an opportunity to share their learning with you and show you how proud they are of their achievements. If you have any concerns, please make a separate appointment time with the class teacher.

### PTA Fundraiser

Keep on the look-out for the next PTA Fundraiser! They are running a Casino Night on Saturday 7th September. More details to follow!

Have a great week everyone.

Debbie Hamer

### Pukeko Points

#### Our 3Rs

#### Respect Yourself

(respect, integrity, ambition)

#### Respect Others

(respect, inclusion, integrity and community)

#### Respect Our Environment

(respect, inclusion, integrity and community)

**Winners for week 4, term 3 are Kauri and Rimu!**

Well done to both teams. The competition is heating up.

### PhotoLife

Photolife will be at school on **Friday 6th September**. They have changed the way they are working this year. Each child and each class will have a photograph taken, which will be stored digitally by Photolife. You will then be given a code to log into their site and look at the picture, to decide if you want to purchase it or not. If you do not have internet at home, pop into school and we can look at it here.

### Children coming to school late

We still have lots of children arriving late for school. Children arriving into class late impact, not only on their learning but on the learning of the rest of the class, which is a concern. The first 30 minutes of the day are important as during that time, expectations are set and the days routines explained. **If you are late, please take your child to the office. I will then take them to class.**

## Featured Class of the Week Kereru

### Kereru - Unity

We are working towards showing Unity. Kereru have been having fun making shared books with Kotare about The Little Red Hen for our class libraries.

The Little Red Hen

JD drawings

Kereru also made awesome math games as part of their homework. The children are still enjoying coming together to share their games.

We have discovered that Unity comes from working together and finding strength with each other no matter what differences we all have.

## Health and Physical Education Survey

I have reviewed the access to this survey, so if you have tried to give us feedback and were refused please have another go, it should all be working now.

At least once every two years, the Board of Trustees is required to consult with the parent community about the schools health and physical education programmes. The purpose of the consultation is to outline the programmes that we are delivering, how we are delivering health education and what we see as the health education needs of our learners.

We wish to identify any needs or additional emphasis the parent community feels requires more focus. To look at the programme we currently have, please follow this link :

<https://drive.google.com/file/d/12mzL5lp-3KS60Hnj63rJ0hIN8OiJgGDn/view?usp=sharing>

To complete the survey on-line, please follow this link. There are only 4 questions:

<https://forms.gle/n4kNgB6kFGUm9i5a7>

If you would prefer a hard copy, please pop into the office and see Jan.
