OUR VISION - SUCCEEDING TOGETHER - TE ANGITU TAHI

TEACHER ONLY DAY MONDAY 25th NOVEMBER

Our Teacher Only Day on Monday 25th November will give us time to review our Strategic Goals - Growing Our Learners, Growing the Way We Learn and Growing Our Wellbeing by looking at our annual plan, at what we have achieved, what we need to continue to work on and any changes that we need to make. I will use the information at our next Board of Trustees Meeting. We will also be looking at our teaching and learning concepts for 2020, which we will take to our school community so that our children and parents can share their thoughts about which direction we would like to take the learning at Kaipara Flats Primary. School will be closed for instruction on this day.

Our last few weeks of school are really busy. To help with this, please find a list of upcoming events:

Welcome back to Gael Adamson. It's lovely to have her back on board. A huge thankyou to Donna Wech and Christine Wilson for stepping to the breach whilst Gael recovered from her back operation. Thank you to our parents and whanau for helping to reinforce our school values when coming into our school. I have also noticed many of you supporting your children to develop independence by making it their responsibility to carry their belongings. It really helps the transition to and from school

Health and Safety

- **Sun Safe** - It is really important that we keep our children safe from the sun. Please make sure you have applied sunscreen before they arrive at school and that they do have a school hat. We now have bucket style school hats on sale at school.
- **Road Safety** - If you collect your child from school, please make sure you come into the school grounds to collect your child from their teacher. Waiting in your car, calling them to you or waiting on the kerbside causes a danger as there is so much traffic movement around the school at the end of the day.
- **Bus** - If your children travel by school bus, it is important to let us know before 2pm on the day if any changes have been made and your child is not travelling by bus. If the bus roll indicates that no changes have been made, I am obliged to put your child on the bus. It is very stressful for them if they know that they are not on the bus, but you have not made contact with us. If you are not home and the

bus drops your child off, that is a danger. Contacting school after 2pm, may mean that we do not get the message in time, especially if Jan is away from the office.
