

The Pukeko Call

OUR VISION - SUCCEEDING TOGETHER - TE ANGITU TAHI

“He waka eke noa” - We’re all in this together

This week we had school like no school I’ve ever experienced. 4 children, 2 teachers and myself, all locked down in our school bubble. The children and teachers were all amazing as we cared for each other from a distance!

I am aware that some of our families have not received their hard copy learning packages from the Ministry. Sadly this is out of our hands. I think they are doing their best under extraordinary circumstances. Hang on in there, you may yet received a package.

If you haven’t completed the Google survey regarding our Facebook page, now called Kaipara Flats Primary - Succeeding Together, I would appreciate you doing so. I know some have had issues getting into the survey, I’m working on sorting that for you.

If you have any worries or concerns about learning or need something explaining etc, please keep contacting your child’s teacher. They will be able to help.

I’m off home now, I’m finding the empty school quite a lonely place. Enjoy your weekend and keep safe.

Debbie
