KAIPARA FLATS SCHOOL NEWSLETTER

TERM 3 NUMBER 1

24TH JULY 2020

Welcome back to Term 3 and our new and improved school newsletter.

I hope you all had a great winter break. Talking to the children, I know many of you had staycation adventures!

We have a busy term ahead. We are now able to resume inter-school sport, so next Friday, 31st July, we have our school cross-country. The children are training hard for the event at school and are enjoying challenging themselves to run for longer and to go faster. The results from our school event will make our inter-school team on 4th August. Details to follow. In week 2 on 29th July we have our first inter-school event since the Covid 19 lockdown, which is awesome. The Y5/6 hockey teams will be competing against teams from our local schools at the showgrounds. Thank you to Stevie Douglas, Donna Wech and Hannah Reddell for putting time into training our teams.

Show Day this year will be held on 31st October. This year the children will be able to enter calves, lambs, goats and chickens, yes chickens! In order to make sure as many of our children as possible have an animal entry, the Board of Trustees has included a chicken category as not all families have enough room for a paddock animal. The paddock animals should be born after 1st August, the chickens can be pet chickens and will not need to be trained to lead! With regards to the calves, we do have to have extra precautions in place with regards to mycoplasma bovis which will result in necessary documentation. I will be sending out further details next week and be posting all of the information onto our website. We will have classroom exhibits, a kumera vine competition and a family scarecrow event to encourage everyone to get stuck in and enjoy the fun of our rural school!

You may have noticed that I have used a different logo. For further details and information about the new logo, please pop into school. We have a display to share with you.
